

Referendum Petition Drop-off Box Locations

About Petition Drop-off Boxes: For convenience referendum petition “drop-off boxes” have been set-up with willing hosts around the Village. Drop-off boxes are equipped with a lock, emptied regularly by the MRP Group and, in many cases, monitored for protection.

Please note that a neighbor’s agreement to host a drop-off box does not mean they oppose or endorse the Charter Amendment, only that they are willing to collect petitions which may facilitate a referendum and vote on the proposed Charter Amendment, by Marvin’s registered voters.
